Letter from Franco Fabris, AGIS President

Dear Fellow Golfers

Despite the worldwide situation appears to be slowly improving, the pandemic that has accompanied us for more than one year is unfortunately still a reality.

Nevertheless, it is important for our community to commit to future initiatives, in the hope to recover the enthusiasm needed to fuel our lives also in the practice of our beloved sport of Golf.

Therefore, it is with great pleasure that we confirm our availability to host the Supersenior and Masters Tournament in the city of Padua, at the end of June and beginning of July 2022.

Supersenior Gross and Masters will be played at Golfclub Montecchia (Padua), while Supersenior Net will be played at Golfclub Frassanelle (Rovolon).

The location of the designated Golfclubs offers a unique combination of relaxation and artistic excellence, by giving the possibility to easily reach the world-famous thermal baths in Abano and Montegrotto Terme, and to visit the close-by cities of Verona, Vicenza, Padua, and the magical city of Venice. The access to the venue is facilitated by two international airports in the cities of Verona and Venice, and high-quality hotel accommodation is guaranteed.

I look forward to welcoming all the participants in the Region of Veneto, and I hope that everyone continues to be safe and healthy.

Franco Fabris
