ICELAND 2024**

Dear golf friends.

Here you have version two of the brochure for ESGA 55+ in Iceland.

Six forms to fill out. Please respect the timings.

We are very much looking forward to welcoming you at the end of July when the sun doesn't set until 10:40 p.m. and rise again 4:30 a.m.

Everything is on schedule despite the volcanic eruption and earthquake. It is not having an effect here in Reykjavík.

We just need to find another course for the presidents and ladies' golf because the one we chose is in the danger area at Grindavík. We have chosen another one, Öndverðaness Golf Club.

Please do not hesitate to contact me on mail or phone.

Best regards, Baldur.

Registration.

Form 1, players, and non-players.

Form is on the ESGA website. Registration was due to end on December 15. In many countries, the teams have not yet been selected, so it is difficult to give the number of accompanying partners. The registration deadline has been extended to April 1, 2024, and the payment deadline to April 15.

Form 2, Hotels.

It is still possible to book a hotel. Some hotels are already sold out, but IslandsHotel and Center Hotels still have rooms available.

Form 3, Registration of players names.

Before June 15, the captain will announce the names of the players in both the Championship and the Cup. We would like to receive the phone numbers of the players to be able to send a link for registering the score. We also really want to get a GOLFBOS number from those who are using the GOLFBOS. The captain is responsible for the correct date and year of birth and the handicap of each player. On training day, July 30, the captain must confirm both.

Form 4, Presidents & presidents' partners, and ladies.

Before June 15, please announce the names of the presidents, presidents' partners and ladies who play in the president's golf.

LEK has made an agreement with the bus company Snaeland Travel for transport from the airport to the relevant hotel on July 29 and back on August 3.

Grindavík golf course, Golfklúbbur Öndverðarness.

As you have probably heard about, there have been earthquakes and volcanic eruptions near the town of Grindavík, which is on the south coast of Iceland. The golf course is near that area. Due to the uncertainty of the future, we have decided to get another golf course for the President and fellow golfers. The new course is Öndverðarness Golf Club. Here is a link to the golf course:
